

# Digital Photography II

## Article Review

### Summary

Read an article from a photography magazine that discusses something technical, a skill, a camera review or an article approved by your teacher and tell how you can use the information read. See the class website for links to magazines we subscribe to.

### Final Product

Type a memo to your teacher summarizing the article(s) you read from the various photography magazines provided in class. You will need to do ONE article review each month and they are due the second Wednesday of each month.

### The Details

Use the format below for your memo:

TO: Your Teacher's Name  
FROM: Your Name  
DATE: Today's Date  
SUBJECT: Name of the Article, Magazine, Month, Year and Page(s)

Triple space.....Single spaced paragraphs.....Double space between

**Paragraph 1 summarize an article** (something technical, a skill, a camera review or an article approved by your teacher)

**Paragraph 2 explain how you can use the information read in your picture taking opportunities**

Use step up to writing for constructing each paragraph. Look at the different paragraph examples below to see which best fits each article. After printing, pick up highlighters and highlight each sentence according to step up to writing.

Green – Topic and Conclusion sentences

Yellow – Reason/Detail/Fact

Red – Explain
